Interested in Irvin?

Follow these steps:

1) Log onto the Penn State eLiving site
2) Request and then accept a housing contract
3) Preference – West Halls
4) Preference – EMS/Irvin (College of Earth & Mineral Sciences Living Learning Community)

Then the Assignments Office will do their best to match interested students to their housing preferences. There are no guarantees as availability will depend upon the number of returning students to Irvin Hall, but by properly requesting your choice you will maximize your chances of success!

Thanks very much for your interest in Penn State, the College of Earth & Mineral Sciences and Irvin Hall!
